Under the programme, eligible groups/organisations may apply for grants for capital projects or elements of projects which would improve the quality of life for residents in disadvantaged urban areas, providing tangible supports. Applications should relate to at least one key target group and thematic area in order to be eligible for consideration.

## Target groups and thematic areas

In line with the ethos of the Programme, applications for funding for projects that target the relevant groups or issues in disadvantaged urban areas which comply with the strategic themes outlined in each Local Economic and Community Plan (LECP) should receive priority.
